Thanks for voting us Best of The Best Kitchen/Bath 13 Years in a row

Tri County Kitchens

As the owner of Tri County Kitchens I would like to begin by offering my heart felt appreciation for the overwhelming support of our business by voting us the very best for the 13th year in a row! Once again, we have won the Best of the Best for the best kitchen design center in all areas; Westmoreland, Allegheny East, Allegheny South and Allegheny North. We have also won Best of the Best for Bath remodeling in both Westmoreland and Allegheny East regions.

I’m often asked to what we attribute our success. When we started our business in 1984 I told my amazing wife, who works side by side with me, we need to arrive on time, return calls promptly, and do what we say we are going to do.” Now, more then ever, it seems that these simple golden rules of customer service are often neglected.

We specialize in problem kitchens and unique designs, treating each job as if it were our own. I can honestly say I am as excited about every project we do today as I was when I began designing nearly 40 years ago. I believe that combining this passion with the area’s best pricing, completing most installations within a week*, and the fact that we supply only all wood cabinets (No particleboard!) gives us the edge. We have quality products to fit all budgets.

*granite countertops generally require additional 10 business day turn around time.

We are designers. I believe that if I was to say there was a single word to sum up our great story it would be patience. Our industry has exploded with products and options and we are determined to take the time to explain all the pros and cons of different designs and materials available. We even have two full time interior designers on staff to assist our clientele with their selections.

We are very proud of our referral book of over 8,500 satisfied customers, for which you are welcome to review. The reason I feel that we receive this recognition EVERY year is because of the relationships we build. I thank you once again for your votes and if you’re just learning about us, please stop by our showroom so we can get acquainted.

Thank You, Todd
Our family would like to say...

Thank You
to all of our loyal customers for voting us

**Thank You!**

On behalf of the Jobe Family, I would like to once again thank the wonderful people of the communities that we serve for selecting us the “Best of the Best” Funeral Home in the East. Every year that passes, we are constantly striving to make our funeral homes and our staff better so that the process that families go through is more meaningful and valuable. I am proud of the near 100% positive surveys that we receive back showing a family’s satisfaction with their experience at our funeral home. Personally, I would like to thank my staff for their attentiveness and care provided to each and every family that we serve. I know that I have the greatest staff on Earth and am very blessed to have each and every one of them as part of our family.

Sincerely,
James R. Jobe, FD Owner
